PERF and SCORE Accuracy
in a single pass process.

ACHIEVE A SUPERB SCORE & CLEAN CUT PERFORATION WITH COUNT'S

ACCU-PERF

MICRO-PERF • PERF • SCORE

MICRO-PERF • PERF • SCORE

Take a closer look at the Accu-Perf from COUNT...
It's engineered to run around the clock for high production
Perforating, Scoring and Micro-Perfing jobs with cost effective results.

PERFORATE • SCORE • SLIT • MICRO-PERF

The Accu-Perf is combined with a deep pile feeder and a register guide that offers easy adjustments even while the Accu-Perf is in operation.
Consistently produces perfect registration from the pile feeder; all the way to the delivery.
The end result is impeccable perforating, scoring and or micro-perfing.
For fast and easy set up the unique ECM counter features total and batch count, adjustments of the delayed time between batches, and much more.

With all of these benefits the Accu-Perf can only be, the right choice.

FEATURES:

- Quickly change from perf to score in a matter of seconds with the E-Z Out perf shaft.
- Adjustable depth score.
- Knockout, knife cut, or micro-perf available.
- On casters for ease of movement
- Designed for maximum safety and easily operated by an employee

The electronic Control Module ECM Counter is added to provide greater control of your jobs. By adding the ECM you gain:

- Total Counter
- Batch Counter
- Vacuum Time Control
- Sheet Spacer
- Adjustable Timing Between Batches

PILE FEED:

The pile table is motorized and controlled by a single up and down switch. An adjustable limit switch controls the pile height automatically.

SIDE REGISTER:

The side lay with ball guidance is mounted above a wide transport bell and positioned according to the paper size. An independent microscrew allows for exact alignment.

SPECIFICATIONS:

- Maximum Sheet Size: 17 1/2" x 25"
- Minimum Sheet Size: 4" x 6"
- Maximum Pile Height: 27 1/2"
- Output Speed: Variable up to 36,000 sph (depending upon sheet size)
- Electrical: Standard 220V Single Phase

WARRANTY

Count warrants each new machine against defective parts and workmanship. One year warranty on electrical and mechanical parts.

Specifications are subject to change without notice and without occurring responsibility to existing units.
